FMI/FMU Logo and FMI Office Templates Terms and Conditions (February, 2017)

The “FMI/FMU logo” and the “FMI Office Templates” are intellectual property of the Modelica Association. The Modelica Association grants you a non-exclusive, world-wide, royalty-free license to use them provided that the following conditions are met:

You are allowed to:

Use the logos and templates provided by the Modelica Association in vector graphics, bitmap graphics or any suitable lossless graphics format. For logos, lossy compression is allowed in videos only and as a consequence of the chosen format and settings. Ideally in this case, the quality should remain comparable to that of same-size lossless versions.

Convert the logos to greyscale versions if necessary.

Use the logos and templates for your printed or electronic documents, websites or software tools, if and as long as these are related to the Functional Mockup Interface (FMI).

Incorporate the logos into tool-related documentation pages, into component, library or folder icons, or into any graphical element, as long as this solely serves the practical use of FMI within the considered software tool (typically: managing, importing, exporting, visualizing, connecting or running FMUs as well as documenting the associated processes, or providing technical details on these processes or on FMI in general).

You are not allowed to:

Change the logos with exception of their size, while keeping the aspect ratio. In particular it is not allowed to combine the logos directly with other existing brands or logos (especially company logos), nor to incorporate them into other logos.

DISCLAIMER:

In no event shall the Modelica Association or any of its individual or organizational members be liable for any direct or indirect, incidental or consequential damages of any kind, however caused and based on any theory of liability, whether in contract, strict liability, tort (including negligence or otherwise) arising in any way from or related to the use of the FMI/FMU logo, including economic damages and lost profits; regardless of whether the Modelica Association had been advised or had other reason to know of the possibility of such damage.

This agreement comes into force upon downloading the zip-file containing the FMI/FMU logos and FMI office templates (or getting them from any other source) and is concluded for an unlimited period of time.

This License shall terminate immediately and you may no longer exercise any of the rights granted to you upon your failure to honor the conditions given above.
